I have been in contact with clients that will be closing out the year and wanted to extend our Black Friday Sale until the end of this week. If you are interested in any of our services, please contact me by email and you will receive \$50 off your total project cost if you book now for any month in 2022.

### PERSONAL JOURNEY

AS MY FAVORITE TIME OF YEAR IS FAST APPROACHING, IT IS IMPORTANT TO SLOW DOWN AND REALLY FEEL THE MAGIC OF THE SEASON. CHRISTMAS IS A TIME OF GIVING AND BELIEVING IN MIRACLES, BUT WHAT IF WE COULD HOLD ONTO THOSE VALUES ALL YEAR THROUGH?

WHY NOT GIVE THE GIFT OF OUR TIME TO THOSE WHO ARE PRECIOUS TO US? WITH ALL OF THE HUSTLE AND BUSTLE OF TRYING TO SHOP FOR GIFTS, WHY NOT STOP AND SPEND THAT TIME WITH OUR LOVED ONES. TIME IS A GIFT THAT NOT EVERYONE RECEIVES. THIS ALSO INCLUDES GIVING TIME TO OURSELVES.

IT IS IMPORTANT TO KEEP OUR OWN MENTAL AND PHYSICAL HEALTH IN MIND WHILE THE DAYS GROW SHORTER AND NIGHTS GET LONGER.

INSTEAD OF MAKING MYSELF FEEL PRESSURE TO DO ALL OF THE THINGS THAT MAKE FOR A HOLLY JOLLY CHRISTMAS, I WANT TO MAKE MEMORIES WITH THOSE I LOVE THAT I CAN KEEP IN MY HEART FOR YEARS TO COME.

## DIY TRENDS

Some of my favorite past times have been making things with my brother, especially during Christmas. Whether it is decorating a tree or dueling over a gingerbread house contest, I have to say that he inspires me in the creative department.

This past week, I went over to spend time with my family and help decorate my mother's Christmas Tree. My brother had decided to make DIY ornaments for this year's Boho Style tree. I personally love the vintage, traditional Christmas look and don't go with a theme. I like a lot of lights and sentimental ornaments but his DIY idea came out phenomenal.

He went to Hobby Lobby and bought plastic clear ornaments, natural jute string, faux balsam branches and snow confetti. We cut up the branches and put them inside the ornaments with a little snow. After tying some new jute string, this simple DIY project allowed the light to pass through the ornaments and the tree shined even brighter!

## PERSONAL COLLECTION

During the present Holiday Season, I am not working on any Personal Aurora By Jacqueline furniture items for Sale. I want to be able to give my client's projects the care and attention that they deserve.

Since I do all projects myself, I am only able to take on one design client and one furniture refurbishing client a month, depending on needs of item. However, with our services expanding in 2022, I would love to host a Pop Up Shop Furniture Sale this Spring.

I have a current inventory that I will be sharing in the New Year both in my newsletter and on the blog. Please follow us on Social Media for all the Behind the Scenes tutorials on how to refurbish specific furniture pieces.

In between clients, I am sharing Holiday Decor ideas from my own home on Social Media. Personally, I love to add greenery in my existing decor whether it is faux or real holly and different types of Christmas tree branches. The colors of the season will always be red and green to me. Even though I love silver, gold and wood tones, the green is a great transitional decoration from the earthy tones of Thanksgiving to the bright lights of Christmas.
